*) This overview presents the import certificates delivered for maize, sorghum and certain substitute products. Differences with the final balance, which is based on executed imports, can occur and are due to the period of validity of the certificates and the fact, that all import certificates other than those based on Reg. 1296/2008 are valid in the entire EU area.

**) Imports into Spain or Portugal of Maize, Sorghum and substitutes as appropriate accounted against the EC import obligation.

***) "+" means that the EC import obligations were fulfilled, while the sign "-" indicate the quantity still necessary to fulfill EC obligations.
